Celebrating the 40th Anniversary of the Legal Services Corporation

HON. MIKE QUIGLEY
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES

July 24, 2014

Mr. Quigley. Mr. Speaker, one of the founding principles of our republic is equal justice under the law. But the promise of justice for all is an empty one without access to legal assistance. I rise today to honor the Legal Services Corporation, which for 40 years has played a vital role in ensuring all Americans, regardless of income, have proper representation in court.

Studies consistently show that in contested matters in court involving fundamental issues like housing, education and family law, the outcome of the case often turns on whether one has legal representation. And with the growing number of Americans eligible for legal assistance, the need for the Legal Services Corporation has never been greater. That is why it is so important that Congress provides them with the funding they need to get the job done. Thank you to the Legal Services Corporation and LSC-funded attorneys for the vital work they do every day on behalf of Americans who need qualified counsel.

Thank you.
